

Termination

Termination of service/services:

- Validoo Supplier with the following GLN(-s): _____
- Validoo GDSN Supplier with the following GLN(-s): _____
- Validoo DataEntry with the following GLN(-s): _____
- Validoo Planogram with the following GLN(-s): _____

- I hereby approve that my GLN(-s) attached to the Validoo data pool and associated Trade Item Information will be purged from GS1 Global Registry. This will allow my GLN(-s) to be used by other GDSN data pools.

Termination is for the following reason (please tick the appropriate alternative):

- We don't need this service
- The company has closed down/gone bankrupt
- The company's operations are being taken over by another company

*As a result of this termination Validoo services will no longer be possible to use.
Validoo services can be re-activated after termination. An initial fee may be charged upon re-activation.*

The signature below requests termination as specified above.
